

School Crosswalk Survey

Thank you for assisting the Safe Routes Peekskill in our School Crosswalk Survey. Safe Routes Peekskill is a coalition between the Peekskill PTO, Peekskill City School District, and Peekskill Walks. We appreciate your help in gathering this information. - *The Safe Routes Team*

Instructions

Please use the map labeled with your name contained in the Google Drive Folder that is shared with you. If you need any assistance with the Google Drive folder, or if you have questions, please contact Meghan [REDACTED].

- Please print your map out on regular letter paper, many maps are 2 to 4 pages. Or mark it digitally on your personalized file.
- Please bring/use 3 colors to mark up your maps. Suggested: Green, Blue and Red
- Use the Marking Legend to the right ->
- When complete, please photograph your map and email it to us, or if you marked it digitally, be sure it's saved in the Google Drive Folder and email us to know it's done. saferoutespeekskill@gmail.com

To Check:

- **Pedestrian Signs-** Is there a sign, note it's location, and if it has an arrow pointing to a crosswalk, or if it's further back and says "AHEAD" Here are possible sign types:

- **School Zone Signs-** Is there a sign, note it's location, if it has any hours listed, or a speed limit set. Please take a photo of the sign and label the spots on the map and the corresponding photo (use *SchoolName*Sign 1, *School Name*Sign 2, etc. Please email us the photo, or upload it to the Google Drive Folder.)

- **One-Way/Do Not Enter School Days Sign-** Is there a sign, note it's location, if it has any hours listed. Please take a photo of the sign and label the spots on the map and the corresponding photo (continue the numbering from the School Zone Signs)

- **Crosswalks-** Is one present on each side of the intersection? What is it's condition?
Mark Green if present and paint is bright and visible
Mark Blue if present and paint is faded/hard to see
Mark Red if no crosswalk is there, or it's partial (such as partially paved over/patched)
- **Maintenance Needed-** If you notice something that needs work, please mark it on your map, and make a list. Items such as Potholes, Cracked Sidewalks, Overgrown Bushes or Trees that block the walkways. We will send this list to the city to look into taking care of.
- **Pedestrian Crossing Signal-** Intersections with a Stop light for cars should have a crossing signal for pedestrians. Please let us know if the signal is working or not. The signal working means both the "Walking Man" and the "Stop Hand" light up, as well as the number count down. If any part is out, mark it as Does Not Work, please.

Please complete your School Crosswalk Survey by Friday March 4th for us.

We will compile the data and be sharing it with the city on March 16th.
